FEBRUARY FEELS

What's happening at Trident Hotels this month

Ti amo, Botticino.

Cupid's busy. Love's in the air. And Valentine's Day is back.

At Botticino, we're celebrating it the Italian way - with good food and even better company.

Our Valentine's set menu is all about comforting flavours, thoughtful details and a setting made for unhurried conversations. Come, take it all in and enjoy the evening at your own pace.

Because love deserves more than a date night. It deserves a night done right.

A Michelin star walks into India Jones

Tucked away in Bangkok, **Saawaan** is a one Michelin star restaurant that values depth over display. Rooted in tradition, it honours Thai cuisine through careful craftsmanship and flavours meant to be felt as much as tasted.

Now, experience it at India Jones. With a special pop-up, Chef Saritwat 'Earth' Wanvichitkun and Chef Pâtissière Chayanin 'Pond' Tanapradit, bring Saawaan's refined flavours and expertise to the table.

Come for the cuisine. Stay for the experience. Leave with flavours that stay with you.
