

JANUARY JOY

What's happening at Trident Hotels this month

A fiery start

The new year calls for good heat and even better flavour. At Trident, Agra, we're turning up both with our Chef's Grill Special.

January onwards, the poolside becomes your evening plan. Live grills, rising flames and a sizzle you can't ignore. Slow evenings, open skies, food coming off the fire and straight onto your plate. It's relaxed, it's warm and the winter air only makes it better.

All that's left for you? Pick your favourite drink, settle in and stretch the evening just a little longer. A winter night at Trident, exactly as it should be.

Winter, but make it slow.

Picture this: a misty morning by the lake, a quiet boat ride and your favourite people beside you - looked after by our warm, attentive team. Sounds like a winter dream? We're bringing it back to life. From January, boat rides return to Trident, Udaipur and we're more than ready.

This winter, slow down the Trident way. Think long walks through lush gardens, hot kulhads of tea with hill views and peacocks casually crossing your path. If winter had a perfect address, this would be it.
