

# NOVEMBER NOSTALGIA

What's happening at Trident Hotels this month

## A pop-up where stories and flavours slow-cook together.

Think Mughlai richness meeting Bengali comfort - that's Metiabruz cuisine. It all began when Nawab Wajid Ali Shah moved to Kolkata and his royal kitchen started cooking with local flavours. The result? Food that's soulful, fragrant and full of heart.

Come taste it for yourself at [Frangipani](#), Trident Nariman Point, Mumbai, with a special pop-up by Chef Manzilat Fatima. Expect slow-cooked pots, soft spices and flavours that stay with you long after the meal is over.
