

SWEET SEPTEMBER

What's happening at Trident Hotels this month

Sometimes, short is just enough

Sure, summer's over – but that little itch for another getaway? Still very real. And let's be honest, no one's approving another long leave. But who said holidays have to be long to feel like a reset. Sometimes, a quick escape is more than enough.

This September, make it happen with a weekend at your nearest Trident Hotel. As a [Trident Privilege](#) member, you will save 15% on your stay and receive up to 5X bonus points at select Trident Hotels. Consider this the shortest route to the best weekend. [#KeepItShort](#)

Cocktails with a side of Mumbai

Right by the ocean, [Ness](#) at Trident, Nariman Point, Mumbai, is raising a toast to the seven islands that shaped Mumbai with its all-new cocktail menu: Seven Chapters, Seven Islands.

Start with *Salt Market Awakening*, inspired by Colaba's harbour coast, a mix that's refreshingly offbeat and just right for these last few rainy evenings. Or if you like your drinks bold, *Spice Route Phantom* brings the warmth of cardamom, cinnamon and mango, inspired by Mumbai's buzzing spice markets.

Don't leave without trying the Mumbai Fondue Pot - cheesy, spiced and served with masala pao buns. Comfort food with just the right twist, best enjoyed with that endless ocean view.

More than picture-perfect.

Your pinterest-perfect wedding begins at [Trident, Udaipur](#). Think golden sunsets on Lake Pichola, peacocks in the gardens, flamingos by the water and endless lawns wrapped in Rajasthani charm.
